Afterwards, douxie exchanges the bodies with naries, and now she is in the body of douxie. aja tarron and eli pepperjack arrive from Akiradion-5, with steve kissing aja for the seventh time and aja reveals that the seventh kiss can make children, and steve is what will remain pregnant. all the heroes gather around the round table to discuss the arcane Order (in the grim of merlinus,) which tried to awaken the titans and to gather the beings in the center of the universe, which will revive the earth and return to its first creation. elsewhere, the Arctic Order discovers douxie that exchanges place with nari, and the Order or their magic to bring the two back to their normal bodies. Before returning to his body, nari informs jim that the trollhunter must make the ninth configuration and the krohnisfere will do it well. the heroes enter a round house and discover that the Arcan Order is already preparing the ritual. While the heroes do their best to destroy the seals of the genesis, jim attempts to unlock his new amulet, but fails and the ritual is completed. Every member of the Arctic Order controls a titan from Greenland, the brazil and the southern Chinese sea, the heroes then make a plan,She needs the Excalibur hilt stone for her new amulet and sends Krel, Stuart, Steve & Eli to get Excalibur (who is still hit on the stone). Claire leads a team (composed of Blinky Galadrigal, Claire, Archie & Charlemagne) to Hong Kong in search of the Krohnisfere (who is in the hands of Zong-Shi, the leader of the Trolldragons in a new trollmarket) and the rest of the heroes try their best to defeat the titans. Stricklander and Nomura are both killed in a battle against the Titans, and Jim's team (composed of Toby & Aja) travels to Hong Kong after receiving no contact from Claire's team. On their way to the new Trollmarket, Jim's team discovers that BellroC's Titan is approaching a bridge until Varvatos VEX arrives in a Mech tube designed by ELI (inspired by robot gun, an imaginary character from the same universe). BellroC manages to destroy the Mech suit but Varvatoes manages to escape safely. Jim & Toby manages to save Claire's team to escape the new Trollmarket, burning his right hand in the process. However, both Charlemagne and Archie remain behind a whole army of dragons of Trolls. The assembled heroes and Douxie manage to get inside Nari's head, unlocking the discharge. Nari, on the side of the heroes, battles with Titan of Skrael and neither emerges victorious. Later, the heroes discover that the Titan of BellroC does not respond to the defeat of Skrael & Nari and is still returning to Arcadia Oaks. The heroes realize that Blinky has missed a page where you succeed if you succeed, which you can join with a heart that will be an element of making the earth reborn. The heroes meet in Arcadia Oaks, and Jim fails once again to lift Excalibur out of the stone, until he realizes that the ninth configuration is meant to represent him and his friends. While his friends get their hands on the stone and surround him, Jim finally pulls Excalibur out of the stone and sends Stuart to replace the new Amulet Stone with the Excalibur Stone. All the heroes fight to defeat BellroC in an epic battle, Jim accepts that the amulet never made him a hero, was already one, and the new amulet manages to come towards him, and in new armor, Jim faces against Bellro. an epic battle. Meanwhile, Toby crashes the truck, bringing the anti-magical beam, and uses it STOP BELROC by using their magic, with Dende Jim the opportunity to kill BellroC with Excalibur, dropping their titan to the ground. While the heroes celebrate their victory and Steve's pregnancy giving birth to seven children, Toby is nowhere in sight, and Jim rushes to look for him and finds that Toby has been crushed by the debris. A dying toby takes his last breath, leaving all the heroes of pain. Later, Jim realizes that the Krohnissifere was destined to all the events in which they've always been, and gives their last farewell to everyone before traveling to the first episode of Trollhunters TrollhuntersMorning where he found the amulet). Jim decides to give up the duty of him and allow Toby to take control of the cloak, and after Toby finds the amulet in the remains of Kanjigar, Toby screams the catchphrase of him; "Awesomesauce!" The film is the final of the Franchise Tales of Arcadia of Guillermo del Toro, which presents the television series Trollhunters, 3Below and Wizards. After a year after the events of the magicians, the Guardians of Arcadia gather for the final moment while they fight the Arcane Order nepharium, which have awakened the primordial titans. It was released on Netflix on 21 July 2021, and received generally positive reviews from the critics. However, he received a mixed response from the fans who The end and contradictions with the rest of the franchise. Trama Master Wizard Douxie Casperan and former Member of the Arcane Nari order are ambushed from the arrival of the order in a metro train moving, while ex Trollhunter Jim Lake Jr. & his girlfriend Claire Nunez accompanies the two. Jim is wounded in a battle against Bellroc, the head of the order. Toby Domzaski, Jim's best friend, accidentally snaps the train brakes, taking yes that the train is unable to stop and complicate a plan to use "radiation trifurcates" to make wizards powerless. When the train is about to go off the track, Douxie evokes traces of the magic train, after the radiation ray is broken. In a last effort of moat, Douxie interrupts the bodies of her with Nari, leaving her in her body, with the unconscious order of Douxie Transmitted Spell. Nevertheless, the order escapes with DOUXIE (in the body of her the form of nari). In a new rebuilt camelot, Jim recovers from the wounds of him, and mother of her, Barbara reveals her commitment with the former teacher and the principal of Jim, Strickler. Aja Tarron (The Queen of the planet Akirsidion-5) and Eli Pepperjack (The Earth Ambassador) arrives in Camelot and gathered with Steve Palchuck, the Human Theater of Queen Aja and the younger brother, Prince Krel. Steve kisses aja for the seventh time, aja reveals, she makes him pregnant. Blinky Galadrigal (mentor and surrogate of Jim father) discusses the Plan of the Arcane order to awaken the Titans. The order will control beings to converge to the center of the universe (which is the Christmas city of the heroes, the Arcadia Oaks) and join with a heartstone (even if the Titans who join with a Heartstone are not revealed until late) , so the earth will be reborn to the age of its first creation, where this time, the humanity will cease to exist. Elsewhere, the order discovers that Douxie is spell and returns the two back to their normal bodies, but not before Nari Alerts Jim "Trollhunter make the ninth configuration, Krohnisfere will render". The heroes enter the round table and discover that the Arcane order is already preparing a ritual to break the Genesis seals. Heroes fail to destroy seals, and the ritual is completed, then the Titans, each controlled by a different member of the order, have been awakened. The heroes have been divided. Claire leads a team (composed of blinky, Douxie family Archie, and Douxie Charlemagne's father) in Hong Kong to acquire krohnisfere from a new trollmarket, where the artifact is in the hands of the Trollardons leader, Zong-Shi; Krel, Fellow Alien Stuart, Steve and Eli left to recover Excalibur, while the rest of the heroes test their best effort to defeat the Titans. Both the Strickler and his mate of Nomura Changeling are killed in battle against the Titans, but Claire's team manages to acquire Krohysfere, consequently Zong-Shi who is killed. There by Jim (composed by Aja and Toby) arrives in Hong Kong after receiving any contact from Claireâ €Akiridion General Varvatos Vex, inside a gigantic robotic dress of Gun Robot (a character of a series of franchise fantasy films.) arrives and fights from the titan of Bellroc from the collapse of the bridge and to trace Claire's team. Despite the best attempts at him, the suit is destroyed by the titan of Bellroc, even if Vex escapes security. Claire's team manages to escape the Trollmarket, but both Archie & Charlemagne remain behind, trapped by the fall of the magical entrance. The heroes meet and Douxie restores the free arbitrary of Nari. At the question of Krohnisfere, Nari tells Jim that "time takes place differently, like a flower. Only the Trollhunter will know" before using the Titan of her to fight and kill Skrael in her Titan, killing himself. The titan of Bellroc is still marching towards Arcadia Oaks, because blinky accidentally skipped a page of Merlin's grimorium, but heroes arrive at the city before them. Jim finally realizes that the ninth configuration is destined to represent him and the friends of him, who put his hands on the stone that holds the sword, allowing Jim to finally pull Excalibur out of stone. The heroes are face to face with Bellroc, which proves too powerful for heroes to manage. While Jim is left only to face Bellroc, he comes to accept that the Amulet has never made him a hero, he was already one. The recently improved Amulet of Jim (created with Akiridion technology, from the original projects from which Merlin had used when he had built the amulet and altitude stone from Excalibur) begins to respond to Jim and fly to him, giving him A magic / akiridion armor that can give more power to Excalibur. Toby, after recalling the anti-magic radiation generator from their first meeting with the Arcane order, uses it on Bellroc, giving Jim the opportunity to hit Belloc with Excalibur. Jim finds a fatally injured Toby, which was crushed by debris and gave his last breath to thank the best friends of him for all their time together before succumbing, leaving all the eight heroes left in great pain. Remembering the words of nari and realizing that the krohnisfere is intended for him to travel back in time and prevent any tragic event that happened to him and his dear friends, Jim decides to use to return to the beginning before Events. He gives an emotional goodbye and returns to the morning where he found mystical amulet. To avoid the death of his best friend's best friend, he decides to give the Toby trollhunter mantle, which finds the amulet under the canals. [1] According to writer Marc Guggenheim, the first production of the film took place while the studio was working on Wizards, who felt to give producers time to determine how to finish the story of the saga. [2] Writers included references to the Rim Pacific of the executive producer Guillermo del Toro, although they were careful not to overload the film with the eggs of Pacific Rim Easter. [2] On August 7, 2020, it was revealed that Netflix and DreamWorks Animation were developing the final film Tales of Arcadia, Trollhunters: Rise of the Titans, with Johane Matte, Francisco Ruiz Velasco, and Andrew Schmidt directed, Guillermo del Toro, Marc Guggenheim and the Dan and Kevin Hageman writing and producing the film, with Chad Hammes and Tales of Arcaler [3][4] Emile Hirsch, Lexi Medrano, Charlie Saxton, Kelsey Grammer, Alfred Molina, Steven Yeun [2] The directors choose to start the film with a high-speed tracking sequence as a way to show the highest budget and animation quality to the public. [2] Music Jeff Danna, who previously composed 3Below and Wizards, and Scott Kirkland made the score for the film. [5] Dana and Kirkland have composed new exclusive themesThe film, while including the themes of the previous Tales of Arcadia series in the score. [5] Release on 7 August 2020, the film was confirmed to be published in 2021. [3] [6] On 27 April 2021, the release date was revealed to be 21 July 2021. [7] [8] The project marked the first DreamWorks Animation film that will be released directly on a streaming service. [2] The film was published on Netflix on 21 July 2021. [9] Reception Den of Geeks Reviewed Trollhunters: Rise of the Titans, stating that "Just corrupt with the poles, the final installation of Netflix films in Guillermo Of the Toro's Tales of Arcadia rationality rather than justifying its conclusion. " [9] On the website of the revision agustrator Rotten Tomatoes, which classifies reviews only as positive or negative, 88% of eight reviews are positive, with an average rating of 6.90 / 10. [10] However, the reaction of the public was mixed, with many to criticize the end and claiming that "he stole the franchise". Many fans have also criticized the numerous inconsistencies and contradictions with the previous Franchising series. ^ A B Trollhunters: Rise of the Titans Writer Says "Marvel's Avengers Gave Them The Answers To The Test" (Exclusive) ^ A B C D E F G Murphy, Jackson (16 July 2021).
